

## Consulting Roles

---

### General Overview

Brooke is seeking talented management consultants who are passionate about challenging the status quo and thinking differently to solve our clients' most complex problems, and deliver them exceptional market results.

Brooke is a recognised leader in mastering the most complex challenges that organisations face globally. Enabling confidence and certainty, we're unquestionably a top-tier partner for organisations wanting to be the best in their industry.

We achieve this by unlocking capability with confidence through evidence-based approaches and methodologies. To do this we:

- Turn data into insights, action and results better than anyone else. Companies around the world trust us for our expertise and experience.
- Have a global reach that combines world-class expertise with local problems.
- Provide leading insights in the sector to drive high performance.

### The Consultant Role at Brooke

We are looking for team players who can contribute their leadership capability, consulting and business acumen to a community of savvy professionals who will truly value their contribution. This role will give you the opportunity to work with individuals who have experience and skills that you can leverage in a collaborative environment that underpins the success of the group. Brooke offers interesting, varied work and flexible working arrangements with regular travel on the eastern seaboard.

### Who are you?

You have consulting capabilities and 2-5 years' experience, most likely as part of a medium to large consulting firm. You are ready for the next chapter: a different platform, a progressive business model, flat management structure, collaborative team environment and long-term income potential.

You are self-motivated and take ownership of managing your career and growing your capabilities. You will also enjoy developing your networks and maintaining relationships with key clients. You can analyse situations, develop hypotheses and work with clients to develop solutions.

If this sounds like you, we would love to have a chat about opportunities in our team. To apply, send your resume to [confidential@brooke.global](mailto:confidential@brooke.global).
